Dear Ms. Trainer:

This correspondence is in response to your Request for Additional Information (RFAI) for the above referenced report.

Regarding 24 hour notices, the independent expenditures in question to National Media Inc. that were reported on Schedule E on the RNC s 2006 October Monthly Report reflect payments made to the vendor prior to the public distribution or dissemination of the independent expenditure communications. We have amended Schedule E with memo text that reflect the later dates of the 24 hour reports where these communications were actually reported in a timely fashion based upon their public distribution or dissemination per Federal Election Commission Regulations.

Regarding Schedule E supporting Line 24, we have amended the form to include the election designations and treasurers signature.

I trust this response answers your inquiry. If you need further clarification please do not hesitate to contact me.

Sincerely,

Pat Huyck
Director of Accounting
